BENTLEY CENTER TABLE

It's the table with the functionality and design of a conference table, but with added convenience to suit your office's needs. The legs pivot out and back in together, allowing you to use them as your single desk or 4 individual tables as needed. The legs are made of metal or polished brass and the top layer consists of MDF covered in American walnut.

DUNCH

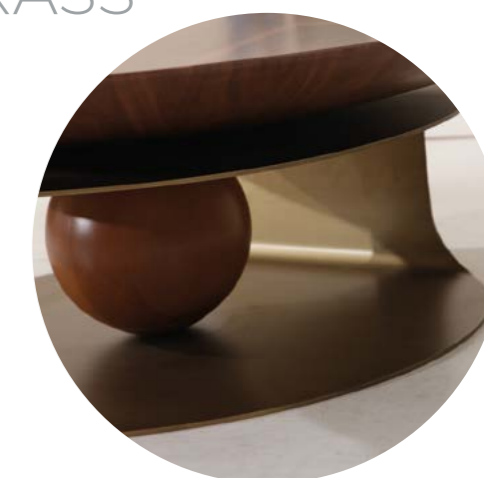

Center Table

DUNCH CENTER TABLE

This table is a contemporary and minimal piece designed in Inegol by Taba Home. This furniture always stands out due to its unusual design that combines CNC machined MDF on top of the table and an arrangement of wooden ball inside the steel legs. It comes in 2 color options: polished brass or an oven-painted steel one.

FERETTI

Table

The rounded, lenticular-shaped support perfectly accommodates the top as if it were a stone set in a jewel: this special detail allows the marble to disappear with its mass, leaving its veining and natural design to stand out, with a different, unique effect in every piece.
